

Dr. Kay Miller, DC, CCSP

Dr. Kay Miller, a native of Fond du Lac, Wisconsin, began practicing in the Fox Valley in 1999 and opened Miller Chiropractic, LLC in 2003. She chose her hometown because of strong family ties and a first-hand understanding of the people which would lend itself well to her philosophy of collaborative, total healthcare; Doctor and patient working together to identify, treat and permanently resolve health issues.

Miller Chiropractic is a family-oriented, community-focused healthcare practice that believes in taking care of a patient's total health, not just treating symptoms, illness and pain.
